

FRIDAY JULY 6

Rugby: Chiefs v Crusaders  
7.30pm, Sky Sport 1

Nail-biting time. The Crusaders need to win to stay ahead of the Hurricanes, who get an automatic four points from the bye in this penultimate week. The Reds v Highlanders match at 9.35pm also has playoff implications, as does Saturday's Waratahs v Brumbies match (9.35pm).

Glee  
7.30pm, TV3

Actress Lindsay Lohan (*Mean Girls*) pokes fun at her bad reputation when she guest stars on tonight's episode. Joining *Glee* as a celebrity judge of the National Show Choir Competitions, Lohan, stretching to play the role of Lindsay Lohan, asks: "Is there anything better than someone making a comeback?"

Glee: 7.30pm, TV3.

Vera  
8.30pm, TV One

Brenda Blethyn stars in this 2011 ITV crime drama series based on the bestselling Inspector Stanhope books by Ann Cleeves. "Blethyn's Vera Stanhope has some marvellous aspects, besides the sharpness of her wits, a sort of maddening, myopic narcissism that bespeaks not vanity but a desire to concentrate," wrote *The Guardian's* Zoe Williams.

Total Recall  
8.30pm, Four ★★☆☆

See this before the remake hits cinema screens later this year. Arnold Schwarzenegger is at his finest in this 1990 sci-fi action-adventure helmed by the always entertaining Paul Verhoeven. The adventure "starts out as mind-bending futuristic satire and then turns relentless", wrote *Entertainment Weekly's* Owen Gleiberman.
